## “Respect Ourselves, Respect Others, Respect Property”

What does hope feel like? What does courage sound like?  
What does action look like? How do things get better?

*Respect Yourself, Respect Others, Respect Property*

FOCUS: Respect others - Remind students about the power of their words. We have had a few incidents this week of students making extremely hurtful and/or inappropriate comments. Mrs. Chirinos and Ms. Taryn have gone by many classrooms to present anti-bullying lessons and the importance of NOT being a bystander. Unfortunately, students are not speaking up.

<b>ELD Schedule (M-F)</b>			
Grade	Time	Grade	Time
Kinder	1:00-1:45	Third	9:00-9:45
First	12:15-1:00	Fourth-Sixth	8:05-8:50
Second	10:15-11:00	TK	1:00-1:45

**I AM ... A STUDENT BEING BULLIED.**

I am a student being bullied.  
I wonder why she picks on me?  
I hear her whisper when I walk by.  
I see her laugh and point at me.  
I want to disappear.

I am a student being bullied.  
I pretend her words and actions aren’t bothering me.  
I touch my necklace because I’m nervous.  
I worry today about what will happen tomorrow.  
I cry when I’m alone.  
I am a student being bullied.

I understand the way she acts is wrong.  
I say I’m learning to ignore her.  
I dream of the day she leaves me alone!  
I try to ignore her!  
I give consideration to other people’s feelings.  
I am a student being bullied.

there once was a girl,  
who told everyone they were  
beautiful.

there once was a girl,  
who believed in the light  
at the end of the tunnel.

there once was a girl,  
she shined so bright.  
  
there once was a girl,  
that late into the night  
listened to the voices inside  
her own head.

there once was a girl,  
who got thinner and thinner  
and cut deeper and  
deeper.

there once was a girl,  
but not anymore.
