

There is no automated rostering for Epic.

Teachers that decide to use Epic! will need to create their class rosters and then provide the login information along with the Class Code for the students to connect to the teacher's class.

Students need to use the Class Code provided by the teacher as their Username and Password when prompted by Clever.

It is recommended for teachers to set up their student's accounts with the student's MVSD Gmail credentials, if possible.

Your Login Information ×

Single sign-on to this app requires the Chrome, Firefox, or Edge browser and [the Clever extension](#). Copy your login information below and paste it into the website to log in manually.

EPIC - STUDENTS USERNAME

Update Login

Copy

[Hide](#) | [Copy](#)

Go to Epic - Students

[I need help!](#)

Then students need to enter the Class Code one more time when at the Epic! website.

epic!

Enter Your Class Code

Go!

For subsequent logins students will just need to click on the Class Code to gain access.

Select Your Class
